

## Completed projects

### **1- Project: Erection, Equipment & Commissioning of 230/63 KV substation (Karaj KamalAbad)**

Owner: Tehran Regional Electric Co.

Description: Construction of Control Room, Ware house & Substation foundation, Procurement & Installation of equipment & Commissioning of Substation

Start: Feb.1993

Finish: Apr.1994

### **2- Project: Design of Copper Melting in Kerman-Khatun Abad**

Owner: National Iranian Copper Industries Co.

Description: Construction of Steel Equipment Warehouse & the other Material

Start: Dec.1995

Finish: Jan.1998

### **3- Project: Erection, Equipment & Commissioning of 440Kv Substation Equipment (Gorgan-AliAbad)**

Owner: Mazandaran Regional Electric Co.

Description: Construction of Control Room, Ware house & Substation foundation, Installation & Commissioning of 230Kv substation

Start: Apr.1994

Finish: July.1994

### **4- Project: Erection & Commissioning of 63Kv Substation (Alborz 3 Ghazvin)**

Owner: Zanjan Regional Electric Co.

Description: Installation & Commissioning of 63/20Kv Substation.(Alborz 3 Ghazvin)

Start: July.1993

Finish: Oct.1993

### **5-Project: Erection & Commissioning of 63Kv Substation Meidane Tarebar)**

Owner: Tehran Regional Electric Co.

Description: Erection & Commissioning of 63/20Kv Substation Meidane Tarebar)

Start: June.1997

Finish: Feb.1998

### **6- Project: Electrical Power Supply of Sefin Tower in Kish Island**

Owner: Kish Azad Regional Organization

Description: Construction of Electrical power sector in Sefein town

Start: 1996

Finish: Feb.1999

### **7- Project: establishment of 230Kv Substation(Abhar)**

Owner: Zanjan Regional Electric Co.

Description: Construction of Control Room, Warehouse & Substation Foundation, Procurement & erection of equipments & Substation Commissioning

Start: July.1997

Finish: Oct.1997

### **8- Project: RamHormoz health Faculty**

Owner: Ahwaz Medical Science University

Description: Construction of Control Room, Warehouse & Substation Foundation

Start: July.1997

Finish: Oct.1997

### **9- Project: Optical Fiber project**

Owner: Iran Telecommunication Co.

Description: Iran Telecommunication Co. Tehran-Firuzkuh Line

Start: Dec.1995

Finish: Feb.1999

## Completed projects

### **10- Project: Zabol Textile Firm**

Owner: Iran National Industry Organization

Description: Mechanical & Electrical Facilities

Start: Oct.1993

Finish: Dec.1995

### **11- Project: Electrical Power Supply of Sadaf Town in Kish Island**

Owner: Kish Azad Regional Organization

Description: Construction of Electrical sector of phase 1 & 2 in Sadaf town

Start: 1998

Finish: 1999

### **12- Project: Emergency Phase electrification in Kish Island**

Owner: Kish Azad Regional Organization

Description: Construction of Control Room, Warehouse, Foundation of transmission & distribution Substation in the Island, Establishment of cable network & Transmission & distribution Substation, Repairing & Commissioning of Project Transformers

Start: Feb.2001

Finish: Aug.2001

### **13-Construction of helicopter hangar-Support Hall, Office building, Geophysical building**

Employer: Kepco ( Naft Khazar Company )

Start: Sep 2012

Finish: 2014

### **14- construction of Islamic Republic News Agency building in Kish Island**

Employer: Kish Free zone

Start: 1997

Finish: 1999

## Completed projects

### **15- Project: Establishment of B15 & B11 Blocks of Saeidieh Region**

Owner: Janbazan Bonyade Omran Co.

Description: Construction of 12 floors Towers

Start: 1994

Finish: 1996

### **16- Project: Establishment of Sewage refinery in Saeidieh Region**

Owner: Janbazan Bonyade Omran Co.

Start: 1996

Finish: 1997

### **17- Project: Establishment of 13 floors Building located in Hakim Azam St.**

Owner: Personal owner

Description: An Apartment with 30 units, 11 floors & 2 Parkings in Tehran

Start: 1994

Finish: 2000

### **18-Construction of 380 housing units-Housing cooperative Maskan Mehr Eslamshahr**

Owner: Cooperative housing 7

Start: Feb 2010

Finish: Feb 2014

## Completed projects

### **19- Project: Optimization of Ahvaz-Marun Desalination units(EPC Project)**

Owner: National South oil Regional Co.

Description: Ahvaz –Marun Desalination Units

**AHVAZ 1: include 132 / 33 KV substations**

**AHVAZ 2: include 132 / 33 KV substations**

**Marun 3: Include 132 / 33 KV Substations**

**Marun 4: 132 /33 KV in 60 KM (EPC)**

High voltage Transmission Line , 2 Circuits – Bundle

Start: 2004

Finish: 2006

### **20- Project: Establishment of Power Battery Manufacturing Firm**

Owner: Power Battery Joint Stock Co.

Description: Erection & Construction of Electrical & Mechanical installations

Start:2005

Finish: 2006

### **21- Project: Electrical Power Supply of Mirmohana Town in Kish Island**

Owner: Kish services & Civil Co.

Description: Electrification

Start:2005

Finish: 2006

### **22- Project: Wall and Fencing around Latian Lake Dam**

Owner: Tehran Regional Water Co.

Description: Structural

Start: Jun.2007

## Completed projects

### **23- Project: Development & Renovation of electricity network in Lavan**

Owner: Iranian Offshore Oil Co.

Description: Development & Renovation

Start:2007

Finish: 2008

### **24- Project: Design & construction of Chemical material warehouse in Bahregan**

Owner: Iranian Offshore Oil Co.

Start: July.2008

### **25- Project: Establishment of the building of electrical parts industries Co. (Defense Ministry)**

Owner: Electrical parts industries Co.

Start: 2008

Temporary Delivery

### **26- Project: Supplying of SIRI Platforms equipments**

Owner: Darya Sahel Institute

Start: 2008 – Finish: 2010

### **27- Project: Establishment of 63 Kv Power Transition Line in Dandi Mah Neshan-Loshan-Gilvan**

Owner: Zanjan Regional Electric Organization

Start: 2009 – Finish: 2011

## Completed projects

### **28-Preparation of materials, mechanical and electrical installations, repair, reconstruction of the Serom sazi of razi**

Owner: Vaccine Research Institute of serom sazi of razi  
Start:2011

### **29- New turbine side area systems of Sirri Island**

Owner: IOOC  
Start:2009

### **30-Bahregan Chemical Material Store Project**

Owner: Iranian Offshore Oil Co.  
Design & establishment: Power Control Co.  
Start Date: July.2008  
Finish Date: Dec. 2009

### **31-Official Department of Iranian Electronic Parts Industries Project**

Owner: Iranian Electronic Parts Industries Co.  
Contractor: Power Control Engineering Co.

### **32-Saypa Central Restaurant Project**

Owner: Saypa Automobile Manufacturer Co. •  
Contractor: Power Control Co  
Start Date: Feb.2009  
Finish date:Dec.2009

### **33-Electrical & Mechanical Facilities of Samyar Co. in Kashan Project**

Owner: Zamiyad Co.

Consultant: Saypa Engineering & Development Co.

Start date: Feb.2008

### **34- Project: Copper melting plant in Kerman-KhatunAbad**

Owner: National Iranian Copper Industries Co.

Consultant: NIPEC Engineering Co.

Start date: Dec.1995

Finish date:Dec.1997

### **35-Establishment of 230Kv substation in Karaj-KamalAbad Project •**

Owner: Tehran Regional Electric Co. •

Consultant: Iran electrical Services & Engineering Co. (Moshanir Co.) •

Start date: Feb.1993 •

Finish date: April.1994

### **36- Project: Siri Power Plant Facilities**

Owner: Iranian offshore oil co

Start:2009

Finish date:2014

### **37- Construction of 63 KV/20 KV substations of Islamic advertisement Organization In tehran**

## Completed projects

### **38- Water injection project to complete new unit, include 120,000 barrel**

Owner: IOOC

Info: Provision and installation of water injection pump equipment in order to increase to 20,000 barrels per day

including all mechanical, electrical, instrumentation equipment, construction and installation and also P.M.S

Start: 2011

### **39 – Supply and procurement of materials, Construction and commissioning of 4 substations in SIRI area**

The employer: IOOC

Date Start : 2015

### **40-The construction of 260 residential units of Maskan Mehr 16<sup>th</sup> in Robat Karim**

The employer: Maskan Mahr

Start: 2010

### **41- The construction of 180 residential units of Maskan Mehr 18<sup>th</sup> in Robat Karim**

The employer: Maskan Mahr

Start: 2010

### **42- Setup and run operation of 132 KV cable in KISH Island High voltage transmission line include Civil works & installation (PC project)**

**1-Construction of 500 MW Zanjan 1 Power Plant ( BOO )**

Owner: Power Control engineering company

Start : 2010

**2- Construction of Ghazvin Power Plant**

Owner: Power Control engineering company

Info: Construction of a combined cycle power plant and operation of power plant Start: 2010

**3- Recycling of lead Starter batteries located in the Eshtehard industrial zone.**

Owner: Pegah Bazyaft battery

Start: 2010

**4-setting up car starter battery factory**

Owner: Pegah battery Co

Info: All the construction works and installations, mechanical Start: 2009

**5-Procurement and finance of 67 Sub-transmission substations (132/33 KV , 132/20 KV, 63,20 KV)**

Start:2016
